Academic Advisor
Excellence Award**

Academic Advisor Excellence Award Criteria

The Academic Advisor Excellence Award was created to recognize the importance of academic advising at The University of Alabama. Recipients of the award will be recognized during Honors Week in April, 2009. This award will be given to either a faculty advisor or a professional advisor who has made significant contributions to the field of academic advising through the criteria outlined below. The selection committee will be made up of experienced advisors from UA-AAA.

Nominations will be accepted from UA students, faculty and staff. Self-nominations are not accepted. Individuals making nomination must detail in writing the manner in which the candidate meets the criteria.
